

SOUTHERN COPPER & SUPPLY COMPANY, INC.

Certificate of Conformance

RoHS 2 Directive 2011/65/EU

Southern Copper offers this letter stating the product supplied are compliant with the RoHS 2 directive. Moreover, it is the knowledge of Southern Copper that the distributed product elements do not contain substances exceeding the RoHS 2 stated threshold. That is, the below listed elements are within compliant percentages.

Lead (Pb) : 0.1%
Mercury (Hg): 0.1%
Cadmium (Cd): 0.01%
Hexavalent chromium (Cr(VI)) : 0.1%
Polybrominated biphenyls (PBB): 0.1 %
Polybrominated diphenyl ether (PBDE): 0.1 %

In addition, Southern Copper has obtained compliance documentation from supplying vendors; thus verifying, these homogeneous materials are compliant.
